Notes (1)

Mikhail Yurievich Ptitsyn is Chairman of the Moscow City Court. In that position, he positively considered the Russian Federal Penitentiary Service's proposal to replace opposition leader Alexei Navalny's probation sentence with a fully fledged sentence. Consequently, Navalny was deprived of the possibility to act in public life in Russia by being imprisoned in a penal colony. Therefore, Mikhail Yurievich Ptitsyn is responsible for serious human rights violations in Russia, including torture and other cruel, inhuman or degrading treatment or punishment, arbitrary detentions, and the systematic violation of freedom of opinion and expression.
