Notes (1)

Eduard Vitalevich BENDERSKIY has been involved in relevant cyber activity, including being responsible for, engaging in and providing support for malicious cyber activity that resulted in the unauthorised access and exfiltration of sensitive data from UK infrastructure and networks. Eduard BENDERSKIY facilitated Evil Corp's connections and involvement with the Russian Intelligence Services and provided both political and physical protection to the group, enabling their malicious cyber operations. Evil Corp's malicious cyber activity involved a concerted effort to compromise UK health, government and public sector institutions, and commercial technology companies, for financial gain, which undermined or was intended to undermine the integrity, prosperity and security of the United Kingdom and its allies.
