<b>Birthdate</b>	1944-02-07
------------------	------------

## Notes (4)

Former Director-General of the Syrian Scientific Studies and Research Centre (SSRC), responsible for providing support to the Syrian army for the acquisition of equipment used for the surveillance and repression of demonstrators. Also responsible for the development and production of non-conventional weapons, including chemical weapons, and the missiles to deliver them. Responsible for the violent repression of the civilian population; supports the regime.

Director-General of the Syrian Scientific Studies and Research Centre (SSRC), responsible for providing support to the Syrian army for the acquisition of equipment used for the surveillance and repression of demonstrators. Also responsible for the development and production of non-conventional weapons, including chemical weapons, and the missiles to deliver them. Responsible for the violent repression of the civilian population, supports the regime.

Director-General of the Syrian Scientific Studies and Research Centre (SSRC), responsible for providing support to the Syrian army for the acquisition of equipment used for the surveillance and repression of demonstrators. Also responsible for the development and production of non-conventional weapons, including chemical weapons, and the missiles to deliver them. Responsible for the violent repression of the civilian population; supports the regime.

There are reasonable grounds to suspect that they are an involved person under the Syria (Sanctions) (EU Exit) Regulations 2019 because they are or have been involved in activities carried out on behalf of the Assad regime, implementing, or connected to the repressive policies of that regime. In particular, carrying on prohibited activities related to chemical weapons in Syria.
