Notes (1)

Andrey Aleksandrovich Suvorov is a judge of the Moscow City Court, which sentenced Alexei Navalny to 19 years in a special regime colony under inhumane conditions in 2023, leading to a severe deterioration of Navalny's health. Therefore, in his position as a judge of the Moscow City Court, Suvorov is responsible for serious human rights violations in Russia, including arbitrary detentions, torture and other cruel, inhuman or degrading treatment or punishment, as well as the violation of freedom of opinion and expression, which is of serious concern as regards the objectives of the common foreign and security policy set out in Article 21 TEU.
