Notes (2)

There are reasonable grounds to suspect that Isaac Moyo, as Director General of the Central Intelligence Organisation (CIO), has been responsible for acts that constitute serious human rights violations in the context of the heavy crackdown on protests in January 2019 by state security forces. There are also reasonable grounds to suspect that in directing ECONET to suspend all internet services in January 2019, which order the High Court subsequently ruled as illegal, Isaac Moyo has also been involved in other actions that undermined the rule of law in Zimbabwe.
