Notes (5)

Amoroso has repeatedly undermined democracy in Venezuela, undermined the rule of law and violating the right to freedom of speech. His very appointment as Comptroller General and his role in setting up the ANC amount to a serious undermining of the democratic process, constitution, and democratic institutions in Venezuela. Additionally, while Second Vice President of the ANC, he contributed to the political persecution of Freddy Guevara and Juan Pablo Guanipa, further undermining democracy.

Former First and Second Vice-President of the non-recognised National Constituent Assembly (ANC). Lead the non-recognised ANC, signing the 'law against hatred', justifying the removal of a legally-elected opposition governor and banning Juan Guaido from running for any public office.

Second Vice President of the Supreme Court of Justice and former President of the Constitutional Chamber. As Vice President of the Supreme Court of Justice (TSJ), there are reasonable grounds to suspect that Mendoza Jover has been involved in repeatedly undermining democracy and the rule of law in Venezuela. The TSJ deprived the legitimate governing body, the National Assembly (AN), of its constitutional powers through several rulings, including through nullifying decisions of the National Assembly Board, nullifying the Democratic Transition Act, and stripping immunity from members of Parliament. Mendoza Jover has sat as a judge for these decisions, and bears responsibility for these grave attacks on democracy.

Former First and Second Vice-President of the non-recognised National Constituent Assembly (ANC). Lead the non-recognised ANC, signing the 'law against hatred', justifying the removal of a legally-elected opposition governor and banning Juan Guaido from running for any public office.

Amoroso has repeatedly undermined democracy in Venezuela, undermined the rule of law and violated the right to freedom of speech. By taking up his appointment as Comptroller General in contravention of a ruling by the legitimate National Assembly, and his role in setting up the non-recognised National Constituent Assembly (ANC), Amoroso has seriously undermined the democratic process, constitution, and democratic institutions in Venezuela. Additionally, while Second Vice President of the ANC, he contributed to the political persecution of opposition politicians Freddy Guevara and Juan Pablo Guanipa, further undermining democracy.
