Notes (1)

Ilnar Irfanovich Basyrov has been working as a judge in the Moscow City Court since 28 May 2014. He was appointed by presidential decree. In that position, he was directly involved in the trial of the opposition politician Alexei Navalny. In a politically motivated trial he pronounced Alexei Navalny guilty, and placed him in a high-security penal colony in order to prevent Navalny from engaging in political activity. Therefore, Ilnar Irfanovich Basyrov is responsible for serious human rights violations in Russia, including torture and other cruel, inhuman or degrading treatment or punishment, arbitrary detentions, and the systematic violation of freedom of opinion and expression.
