Notes (1)

Evgenia Sergeevna Nikolaeva has been a judge at the Basmanny District Court in Moscow since 2016. She has issued a number of rulings against political opponents (including Alexei Navalny, Ilia Yashin and Vladimir Kara-Murza), thereby contributing to political repression in Russia. In October 2023, she sent Navalny's lawyers Alexey Liptser and Igor Sergunin to pre-trial detention for two months. Previously, she had repeatedly made life difficult for political prisoners, including by extending the terms of detention in pre-trial detention centre for the former head of Navalny's headquarters in Ufa, Lilia Chanysheva. She also refused to address complaints about the inaction of the Investigative Committee of the Russian Federation on the allegation of Navalny's poisoning. In her position, she is therefore responsible for serious human rights violations in Russia, including arbitrary arrests or detentions and the violation of freedom of opinion and expression which is of serious concern as regards the objectives of the common foreign and security policy set out in Article 21 TEU.
