#### Notes (1)

JSC Integral is a Belarusian defence SOE (state-owned enterprise) that produces semiconductors for military end-users, and supplies parts to both the Belarusian and Russian armed forces. Russian armed forces have been directly involved in the invasion of Ukraine. Belarusian armed forces have supported and enabled the Russian invasion of Ukraine, including by conducting joint military exercises with Russian armed forces which involved the deployment of Russian troops along the border of Belarus with Ukraine, which in turn directly contributed to Russia's ability to both threaten and attack Ukraine, including from positions in Belarus. JSC Integral therefore is or has been involved in destabilising Ukraine and undermining or threatening the territorial integrity, sovereignty and independence of Ukraine.
