## Identification documents (1)

<b>Status</b>	Historical (last time active at 28.02.2022 05:16)
<b>Type</b>	Further Identifying Information: Al-Ghamari is listed for his involvement in and leadership of Houthi military campaigns that threaten the peace, security, and stability of Yemen thereby meeting the criteria for designation as laid out in Paragraph 17 of Resolution 2140 (2014). Al-Ghamari, as Houthi Military Chief of General Staff, plays the leading role in orchestrating the Houthis' military efforts that are directly threatening the peace, security and stability of Yemen, as well as cross-border attacks against Saudi Arabia. He most recently took charge of the large-scale Houthi offensive against Yemeni government-held territory in Marib governorate. The Marib offensive is exacerbating Yemen's humanitarian crisis, as it puts approximately one million vulnerable internally displaced people at risk of being displaced yet again, lead to the deaths of civilians, and is triggering broader escalation of the conflict.
