## Notes (2)

Former Commander of the first defence zone of the Congolese Armed Forces (FARDC), which took part in the disproportionate use of force and violent repression in September 2016 in Kinshasa. In his capacity as Deputy Chief of Staff of the FARDC in charge of operations and intelligence from July 2018 to July 2020, and owing to his senior duties as Inspector General of the FARDC since July 2020, he bears responsibility for recent human rights violations committed by the FARDC. Gabriel Amisi Kumba was therefore involved in planning, directing or committing acts that constitute serious human rights violations or abuses in the DRC.

As Commander of the 1st Defence Zone of Congolese Army (FARDC) Gabriel KUMBA was officially responsible for FARDC forces who took part in the disproportionate use of force and violent repression in September 2016 in Kinshasa. In this capacity, Gabriel KUMBA was therefore involved in planning, directing, or committing acts that constitute serious human rights violations and abuses in DRC. There are reasonable grounds to conclude that KUMBA was an "involved person" given that matters within reg (6)(2) occurred within the territory (First Defence Zone) for which he was the FARDC Commander and thus bore responsibility for.
