#### Notes (2)

Alvaro Enrique Pulido Vargas (aka German Enrique Rubio Salas) is a close business associate of Alex Saab. With him, he engaged in serious corruption in Venezuela through his participation in two of Venezuela's public programmes: the 'Local Committees for Supply and Production' (CLAP) and the Great Housing Scheme Venezuela (GMVV). In each case, contracts were improperly granted for the benefit of an official and/or for another person including Pulido Vargas himself. In the CLAP programme, basic foodstuffs were provided at highly inflated prices. For GMVV, Global Construction Fund only delivered a small proportion of the products they had agreed to deliver, misappropriating the remainder of the funds.
