## Notes (2)

Designated for the purposes of an asset freeze under the Russia (Sanctions) (EU Exit) Regulations 2019. The designation is made as a designation by name under the urgent procedure. The relevant provision by reference to which the Minister considers that condition B is met is the European Union's Council Decision 2014/145/CFSP (as amended) concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine, and Council Regulation (EU) No 269/2014. The purposes of this provision correspond or are similar to the purposes of the UK's Russia (Sanctions) (EU Exit) Regulations 2019, which have as their purposes to encourage Russia to cease actions destabilising Ukraine or undermining or threatening the territorial integrity, sovereignty or independence of Ukraine. The Minister considers that it is in the public interest to designate (condition C). The Minister certified on 13 June 2022 that conditions B and C continued to be met.

LLC Military Industrial Company is a manufacturer of armoured vehicles which have been used by Russian military forces in territorial Ukraine. LLC Military Industrial Company has therefore made available goods or technology that could contribute to destabilising Ukraine or undermining or threatening the territorial integrity, sovereignty or independence of Ukraine, and in doing so has also contributed to the Russian defence sector, a sector of strategic significance to the Government of Russia.
