Notes (2)

Designated for the purposes of an asset freeze under the Russia (Sanctions) (EU Exit) Regulations 2019. The designation is made as a designation by name under the urgent procedure. The relevant provision by reference to which the Minister considers that condition B is met is Canada's Special Economic Measures (Russia) Regulations. The purposes of this provision correspond or are similar to the purposes of the UK's Russia (Sanctions) (EU Exit) Regulations 2019, which have as their purposes to encourage Russia to cease actions destabilising Ukraine or undermining or threatening the territorial integrity, sovereignty or independence of Ukraine. The Minister considers that it is in the public interest to designate (condition C).

The WAGNER GROUP is often described as a Russia-based Private Military Company and is an entity or group that provides military services for financial gain. It has organised the recruitment of, and coordinated and planned operations for, the Wagner Group mercenaries participating in military operations in Ukraine. There are multiple, credible sources which corroborate and support the conclusion that the existence of the organisation known as the Wagner Group is kept purposefully vague and opaque in order to provide a deniable military capability for the Russian State. The WAGNER GROUP is therefore responsible for, engages in, and provides support for actions which destabilise Ukraine and undermine or threaten the territorial integrity, sovereignty or independence of Ukraine.
